

The background of the entire page is a dense, abstract pattern of swirling, wavy lines in shades of purple and white. The lines are irregular and fluid, creating a sense of movement and depth. The overall effect is reminiscent of a marbled paper or a liquid texture captured in a still image.

JASPER PLACE COMPOSITE HIGH SCHOOL

We hereby pledge that we will uphold the good name and traditions of our school; that we will support its activities in all ways possible; that we will do all that is within our power to encourage the highest standard of character and scholarship; that we will be good citizens of Jasper Place Composite High School, of Edmonton and of Canada.

ORIGIN OF SCHOOL CREST

In 1964, the **Highlights** and **Echo** jointly sponsored a survey of the Grade XII students, members of the first class to complete their high school in the first stage of the new Jasper Place Composite High School. The survey asked the students what they felt were the three words that best described the new school.

The words which appeared most frequently were Progress, Vigour, and words and phrases denoting Tenacity. These, then, were selected as most appropriate to the spirit of Jasper Place Composite High.

The committee, spearheaded by Mr. Mathew, then consulted Dr. Goerzen who gave us the Latin translation for tenacity as **Pertinacia**, vigour as **Vigor**, and progress as **Progressio**. These words are incorporated in the banner line at the bottom of the crest.

Mr. Al. Oeming, owner of the Alberta Game Farm and one of the world's leading authorities on animals, was asked to supply us with the names of the animals which would best depict our chosen characteristics. In consultation with the University, Mr. Oeming gave us the Grizzly Bear for the word tenacity, the Beaver for industriousness (the Beaver is also a Canadian symbol), and the Whooping Crane as the animal showing great progress. When one stops to consider the habits of these animals and their characteristics, one can certainly see that they are excellent choices.

These three animals were to be mounted around a shield upon which were to appear symbols of the purpose of the school. The top of the shield bears the Book of Knowledge; the top right, the Lamp of Knowledge; the lower right the Academic side of our school, and the lower left the Vocational aspect of Jasper Place Composite High School. The Vocational aspect in this instance includes all the Technical subjects including Business Education.

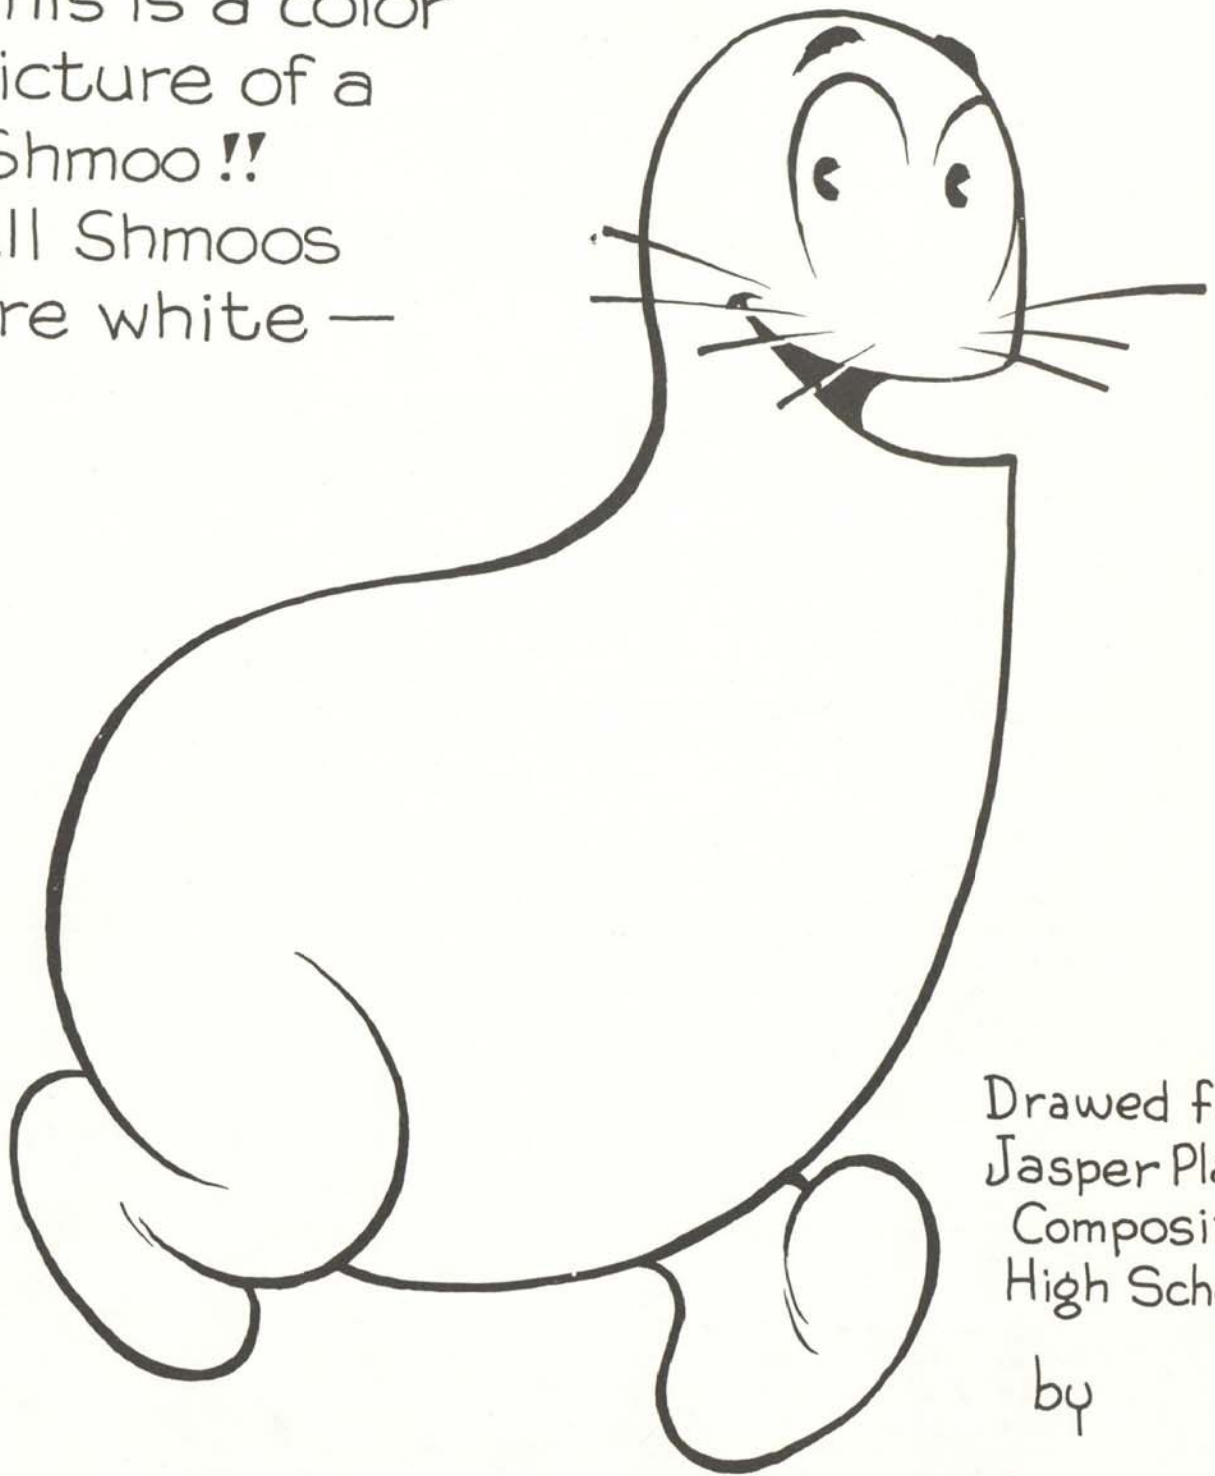

It was the intention to mount the beaver on a crown, the crown to symbolize our past heritage and ties with Britain and our present association with the British Commonwealth of Nations. Permission to use the crown must come from the Queen. Through her agents this permission was sought. Unfortunately our request was refused. We therefore mounted the beaver on another symbol of scholastic achievement, the mortar board.

Around the outside as decoration we chose to place fronds. The official Alberta flower, the wild rose, may be seen at the bottom of the shield.

The colors chosen for this crest include the school colors of red, white and black. The other colors of yellow and brown were added to give the necessary coloring to complete the crest.

ADMINISTRATION and FACULTY

PRINCIPAL'S MESSAGE

MR. E. MEYER

The Echo is a pictorial review of people and events as they came together in Jasper Place Composite High School during the past year. For the "grads", however, it will have a special significance; it will summarize and highlight the final year of high school. As such, reactions will be mixed. There will be the feeling of at last having reached that level of maturity which seemed so long in coming, a feeling of release. Yet there will also be feelings of sadness because graduation is a time of parting. Friends of long standing go their separate ways to pursue their particular interests. There is also the feeling of anticipation or expectation. New goals are to be worked toward, additional challenges to be met and there is always the element of adventure because we are never really certain of what tomorrow will bring.

The grads are also entitled to a feeling of satisfaction for a job well done. They have persevered for 12 or more years. This quality of perseverance will see them through any difficulties of the future.

The faculty of Jasper Place Composite High School are proud of you and with a touch of sadness, wish you success, happiness, and above all, peace.

DEDICATION

At the end of this school year, J.P. sadly says good bye to a very valuable Faculty member. Mrs. J. Saville, Curricular Associate of the English Department, and also a teacher of English, will be remembered by fellow staff members, and by the many students to whom she has taught English.

Mrs. Saville has been a member of the staff for six year, joining during the school term 1966 - 1967. This however, does not mean that she has not had time to accomplish anything constructive. She came to J.P. for the position of Assistant English Department Head and the next year, upon Dr. Keeler's resignation, was promoted to the position of Department Head.

Apart from teaching English in all three levels — 10, 20, and 30, she was on a committee that set up the present English 10 course, and is presently on a curriculum committee with the Provincial Department of Education, helping to devise the modular approach to an English literature course.

Mrs. Saville has also been on the Awards Board for the past three years, and has been the chairman of it for the past two years. Among some of her other activities Mrs. Saville has been a sponsor of the Quill, our literary magazine, has acted as a chaperone to the band and has been active in such events as Shakespeare Day.

Mrs. Saville, we regret that you are leaving us, and we wish you every success and happiness in your new endeavour. The dedication of the 1972 ECHO to you is our gesture of appreciation.

After seventeen years of teaching in Jasper Place Composite High School Mr. George Lougheed has decided to retire. He came on staff in 1955 at the old Central School which was then the High School.

Mr. Lougheed has seen many changes in education during his career, which began in 1934, in a little one room school. At this time the world was in the midst of the depression. Times were difficult. He walked four miles to school and four miles back each day. Rural students rarely went past grade eight or nine.

Jasper Place has changed. Its physical features have changed three times in building expansion. The staff has come and gone. Thousands of young people have passed through the corridors in the seventeen years Mr. Lougheed has been with us. Many of J.P.'s former students are now Doctors, Lawyers, Teachers, or are in Business Careers. The courses at school have changed, teaching methods and administrative methods keep changing.

Mr. Lougheed has taught Business Courses here most of the time. He loves shorthand, typing and business machines.

What does he think of his students today? They're tops. Full of life, outgoing, competitive. They'll make a success of future Canadian society.

After an active school life which included such activities as sponsoring the bowling club and being on the Archives Committee and his many teaching responsibilities what is Mr. Lougheed going to do? He hopes to travel, and to keep up some business interests.

The Echo is proud to honor you Mr. Lougheed and dedicate this year book to you.

FACULTY COUNCIL

The Faculty Council is comprised of the Senior Administrators and the Curricular Associates. The function of this group is to discuss all matters pertaining to the operation of the school, and to act as an advisory body to the Principal. This group also presents the views of their respective departments on the various issues in the life of the school. The Curricular Associates coordinate the instruction within the Department and offer leadership to staff and students.

Senior Class Council – 1972

The Senior Class Council was again under the sponsorship of Mrs. Nielsen and Mrs. Baker. It started early in the year to organize the activities associated with Senior Class. The theme this year was "Thinkest Thou We Shall Ever Neet Again?".

On Saturday, June 3, 1972, the Senior Class Night, a formal dance in keeping with past tradi-

tions of Senior Class, was hel in the Macdonald Hotel.

The Graduation Exercises will be held early in the fall in the school auditorium. This is a major change from past years, and we wish to invite all of you to return to J.P. for this occasion.

GHOSTS OF THE GRADUATING CLASS or CLASS HISTORY

by Ron Byers

Any attempt to bring back to mind the significance of the last three years at Jasper Place Composite High School is, indeed, a task which I hesitate to undertake. I stand here, representing the "Ghost of the Graduating Class of 1972". My favorite haunts were the extensive corridors of J.P.C.H.S. and during these haunts I encountered many events that I care to remember and will never forget.

I remember that first week when I followed you, the trembling Freshmen, through the agonizing excitement of dodging those mean-looking Seniors, finding lockers, classes, friends and the way out. For those of you who disobeyed the laws of being a Frosh, there was the Kangaroo Court. I watched as you, who were to be tried, ran screaming out only to be caught and dragged back to face that horrible fate of being punished by various delightful humiliations.

Soon, however, everything settled down, you joined clubs, went to dances, watched football and basketball games and started skipping classes. The first few times were tense as you sneaked your way around expecting your teacher to pop out from every dark corner. Then you got adventurous and soon it became habit.

At last the semester break came and you rejoiced as those horrible Seniors slaved over their exams.

Second semester started with as much vigor as the first had, and the routine of finding classes and then skipping them was repeated. Time passed and so did you.

You entered your Sophomore year after two months in the sun and discovered two new attractions were added. One was the pleasure of watching the new crop of Frosh do what you once

did and another was the addition of the tower. During the year you settled down more, some of you followed the basketball team through victory, others got involved in the year play and still others sat back and just watched people do their own thing. That year was mainly a transitional period between being a kid and being an adult. Soon the year had passed along with many of you.

You again came back only to be shocked at how different everybody seemed to be. You grew up fast. Now you were the Senior and you had the privilege of watching the new Frosh squirm under your searching looks. But you sympathized with them and helped a few. And you enjoyed it. It was time to settle down and go to class because this was the year that counted most. Slowly the days went by and then it was time to start cramming. You ran around carrying stacks of books and coming to school stuffed with techniques on writing, how to find the square root, the conjugation of French verbs and other important facts that would help you pass. Then you waited patiently for the results. At last they came. I watched you as you expressed emotions of delight on how great you did and cursed on how you could have done better.

You entered the last five month term you would spend at Jasper Place Composite High School. The days passed quickly. And then you studied for the last exams you would write at J.P.

I know you have enjoyed the past three years at J.P. There will be things you forget and things you remember. I know you will succeed in future years and I wish you a certain amount of luck.

As for me, the "Ghost of the Graduating Class of 1972", my duties are finished and I will retire to the pages of history and be embedded in memories forever. Thank you for the best three years of my life and hopefully of yours. Good luck and farewell.

A purple line drawing on a background of horizontal lines. The scene depicts a fantastical world. In the center, a creature with a round, multi-eyed body and long, thin limbs is climbing a diagonal tree trunk. To its right, another similar creature is perched on a tree trunk, looking towards the viewer. In the upper left, a third creature is partially visible, also with multiple eyes. The landscape is filled with several tall, thin trees that have a central trunk and many radiating branches, each ending in a small, cup-like or spiky structure. The overall style is whimsical and imaginative.

PRODUCTION

It takes many hours and lots of hard work to compose a year book. Even the most trivial things add up time and I would like to thank each and every one who contributed. My thanks also go to our staff sponsors for their help.

The divider pages this year were done by Mr. Thomas's Art Classes. It was very difficult to choose which ones should be put into the year book and so we chose the ones which would reproduce the best in black and white.

Last year we had request for more candid pages. These pages are included throughout the publication. My thanks extend to the Highlights and Mini-Lights crew for the pictures used in these pages. We hope this addition will please our readers.

We of the year book committee hope that this book brings back many of the pleasant memories for the year 1971 - 1972, not just right now, but also in the many years to come. I hope that you have a very happy summer!

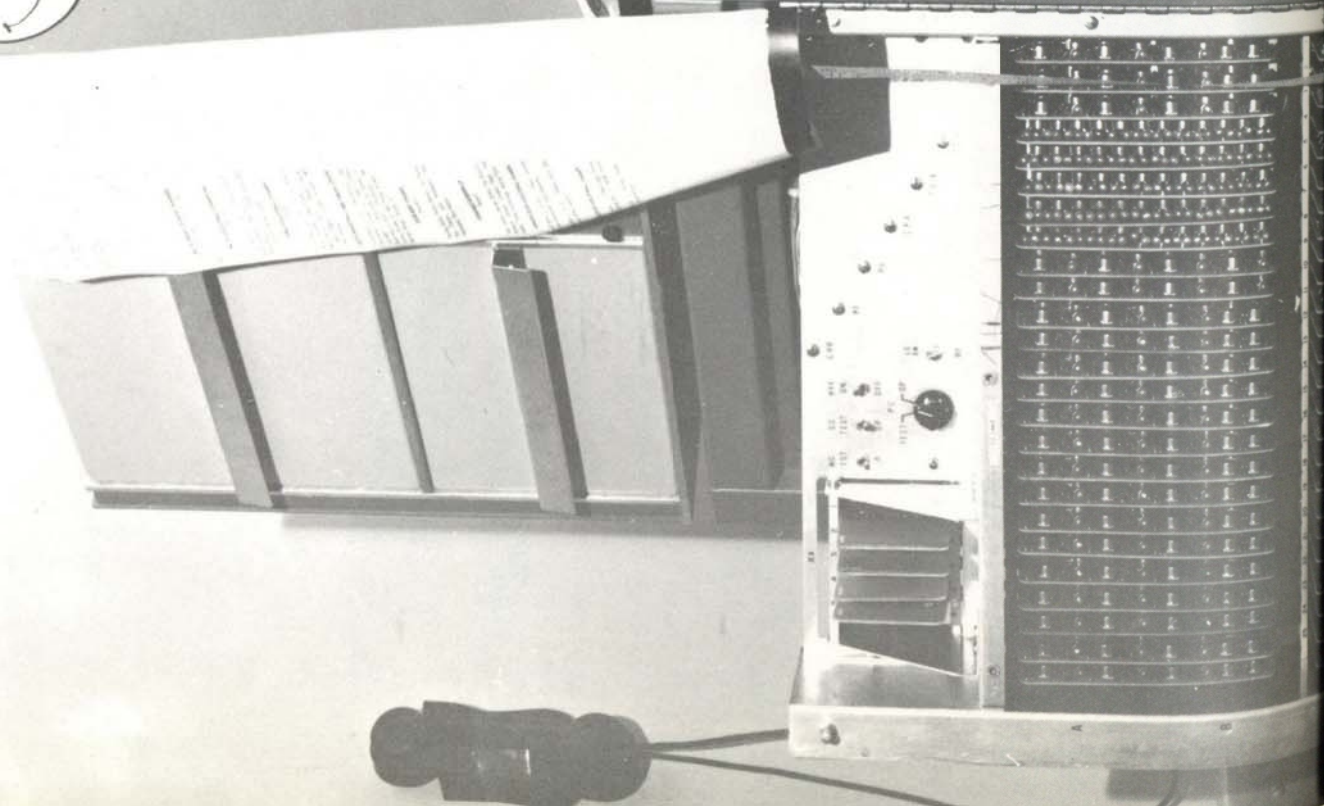

It has been a privilege for me to have been production manager of the Echo for the past three years. I appreciate the many hours of work that have gone into such a production by so many people.

The sponsors of the Echo have assisted us to produce an excellent publication, befitting a school such as J.P. Without their support, and the support of the students of the Graphic Arts classes, this task could not have been accomplished. As far as we know we are still the only school to completely produce our own year book without any outside assistance.

I shall miss J.P. and particularly working on the Echo. What I have learned in working with others and about the operations of the various pieces of equipment required to print a year book will prove invaluable to me in the future.

To all of you, thank you for your tremendous support and the best of everything in your future.

JUNIOR

TEAM

ATHLETICS

The Junior Football team finished second place in the state tournament. They were a very competitive team and were very successful in their games. The team was led by Coach [Name] and the players were [Name] and [Name].

JUNIOR REBEL FOOTBALL TEAM

Back Row (L. to R.) — Len VanWieran, Glen Brown, Bob Trueman, Keith Kachuk, Neil Leslie, Bob Koch, Barry Reid, Randy Walsh, Lester Riczu, Chad Finner.

Missing — Randy Drysdale, Darrell Sawchuk, Daryl Ibbotson (coach).

The Jasper Place Junior Rebel Football Team completed their season with a 5-1-1 record and a second place finish in the league. They were defeated in the semi-final game but proved to be tough competitors worthy of the hard work they put into the season. As the majority of the players were complete novices it was indeed a very successful season. With the return of several players, the J.P. Junior Rebels are looking forward to a winning team in 1972-73.

SENIOR REBEL FOOTBALL TEAM

Back Row (L. to R.) — Ian Scott (manager), Craig Norren, Pat Gilday, Richard Poon, Gord Ellis, Kevin O'Neill, Harold Wright, Dean Melnyk, Pete Iltis (trainer), Brian Tingley (trainer).

Second Row (L. to R.) — K. Wouters (coach), Mike Huemmert, Rod Fallow, Bruce Brown, Pete Spasic, Don McAlister, John Boddard, Randy Tuff, Darrell Rombough, Don Gogerla, Harv Geddes (coach)

Front Row (L. to R.) — Bruce McKenzie, Dave Pettinger, Mike Blanchette, John Ord, Kamal Sifeldeen, Des Lusk, Rick Butler, John Marcinkevics, Brian Wilkes, Brian Riley.

The Rebels, as is our tradition, performed well. A 5 win — 2 loss record enabled the team to enter the city semi-finals against Harry Ainlay, which they subsequently lost. Both coaches and players enjoyed the season and are looking forward to next year. With few exceptions the team will remain intact, thus ensuring J.P. of another competitive season.

JUNIOR GIRLS VOLLEYBALL

Back Row (L. to R.) — B. Choppen (coach), Deb Morril, Wendy Wilkins, Barb Olson, Leslie Warke, Shauna Morgan, Marion Carmody (asst. coach), Nancy Wiley

Front Row (L. to R.) — Leslie Gauche, Donna Kobewka, Karen Sankey, Deb Dolskey, Deb Draper, Brenda Mankow.

The Junior Girls Volleyball Team had an exciting season this year. Getting off to a good start, the girls won their first set of games, 6 wins — 0 losses. They continued through the league, to win first place in the north division. In the semi-finals, however, the girls were defeated by Bonnie Doon Composite High which restricted them to continue further in the finals. The team, coached by Barb Choppen, consisted of nine grade Ten's and only three grade Eleven's. The win — loss record for the junior girls was 20 Wins and 6 Losses.

LEAGUE CHAMPIONS

SENIOR GIRLS VOLLEYBALL

Back Row (L. to R.) — Miss Reichelt (coach), Donna Mielnichuk, Marcia Chatten, Glenda Leach, Andrea Grand, Deena Mitchell, Leta Pollock (manager).

Front Row (L. to R.) — Roberta Carbert (manager), Colleen Edgar, Joanne Flock (captain), Doris Chadwick, Elain Crowell, Gloria Holden (scorekeeper).

The Senior Girls Volleyball Team had a successful season. They swept to a 25-5 record for first place in their league conference. In the playoffs the girls ran into the tough side of the draw and finished up out of the finals. They also played in, and won, the St. Albert Invitational Tournament, with a 6-0 record. All things considered, the team did very well.

LEAGUE CHAMPIONS

JUNIOR BOYS VOLLEYBALL

Back Row (L. to R.) — Dave Savage, Rob Hornland, Wally Murphy, Bob Balfor, Bob Cromwell, Andy Hawriko, K. Davie (coach).

Front Row (L. to R.) — Peter Braune, Vern Thwaites, Dean Caouette, Jim Choppen, Neil Leslie.

One of the finest ball handling teams Jasper Place has ever had, culminated an extremely fine season by winning the League standings with a 22-2 won-lost record.

Captain of the Junior Squad Andy Hawarko and his team proved to everyone that height was not the key role. Determination was all they needed.

With the smallest team in the league, the Junior Rebels advanced to the City Finals against McNally which saw the same two teams playing for the City for the past five years.

Jasper Place has won it three times and McNally twice. Despite defeating McNally in league play, the Rebels were disappointed to lose to them in the finals 3 games to 1.

The team appreciated the support it received throughout the year from all the loyal fans.

LEAGUE CHAMPIONS

SENIOR BOYS VOLLEYBALL

Back Row (L. to R.) Dave Stevenson (captain), Harvey Dalzell, Terry Thwaites, Gary Nastiuk, Rod Fallow, Mr. J. von Schilling (coach).
Front Row (L. to R.) Harold Cox, Rick Davie, Joe Lazowski, Gary Hucaluk, Pete Iltis.

The Senior Rebels enjoyed a good year winning the league championship easily with a 22-2 record. However, in the semi-finals of the playoffs the team was eliminated by a stubborn Bonnie Doon six who eventually won the city championship.

LEAGUE CHAMPIONS

GYMNASTICS TEAM

Back Row (L. to R.) — Elaine Crowell (manager), Miss Reichelt (coach).

Middle Row (L. to R.) — Colleen Edgar, Leigh Hushagen, Susan Klumph, Cheryl Webb.

Front Row (L. to R.) — Nora Crew, Gloria Holden, Sonja Braune, Joanne Flock.

The girls' gymnastic team had a very successful year. We started out as a small club with large talents. By the end of the season we had placed 6 out of 9 girls into the City Finals and 4 out of 6 girls into the Provincial Finals. The girls took home gold, silver and bronze medals for their individual performances. Jasper Place should be very proud of the 1971-72 girls' gymnastic team.

WRESTLING TEAM

Back Row (L. to R.) — Bob Drummond, Gary Huculak, Pat Gilday, Gord Daly, Garth Hornland, Scott Taylor, Garth Webb, Randy Sinclair, Dave Lukaniuk, Len Karran (coach).

Second Row (L. to R.) — Tom Mayson, Lloyd Egeto, Des Lusk, Richard Poon, Randy Walsh, Lew McMillan, Keith Ewanchuk, Lenn Perusini.

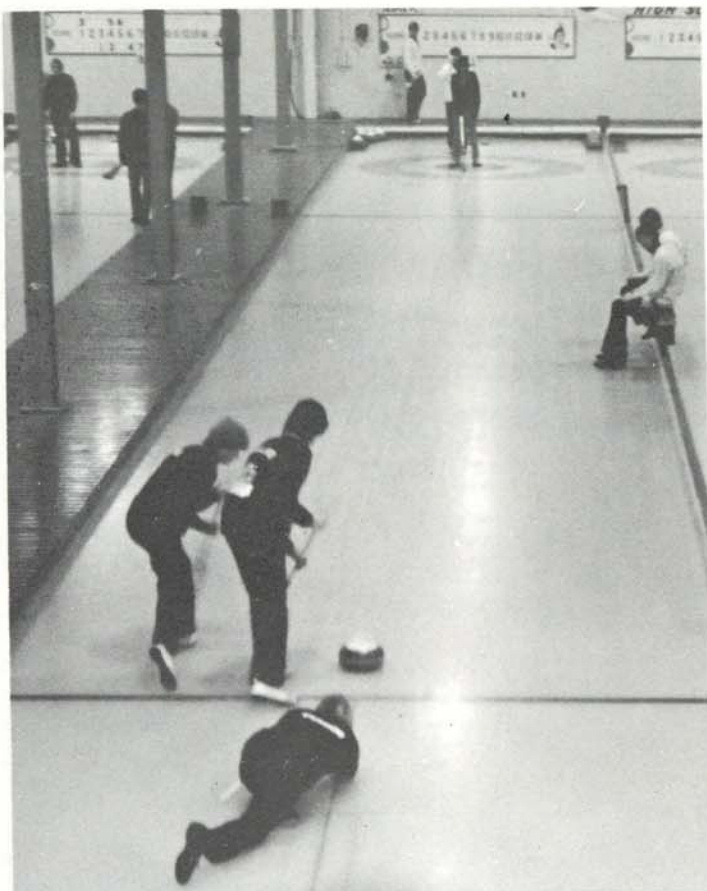

Front Row (L. to R.) — George Willans, George Coulter, Alan Relf, Russ Pawlyk, Grant Johnson, Dennis Cleaver, Nick Popowich, Barry Sutherby.

Once again, the J.P. wrestling team came out on the top. They lost the league trophy for the first time in seven years, but bounced back admirably to win the city wrestling championships, "A", "B" divisions. Several J.P. wrestlers then went on to represent Edmonton in the Provincial High School Championships and were very successful.

Four Jasper Place Wrestlers also competed in the Canadian Championships in New Foundland.

CITY CHAMPIONS PROVINCIAL CHAMPIONS

CURLING TEAM

Skip (holding broom) Ron Samuels

Lead (sweeping left) Ian Lake

Second (sweeping right) Ken Belland

Third (shooting) Robb Pushor

Jasper Place students have a lot to be proud of when it comes to curling. The J.P. Team, composed of Ron Samuels, Robb Pushor, Ken Belland and Ian Lake, proved to be a force to be dealt with in the provincial competition this year.

After a loss to Sedgewick in the early going, Samuels and his crew settled down and won four straight games to take the "B" section. This set the stage for the playoff in the double knockout tournament. The first game was a must for J.P. and they met the challenge by defeating the Niven rink from Archbishop MacDonald in five ends. Niven and his rinkmates reversed the decision in the final game when they came up on the best side of a 4 - 3 score by putting a rock on the button in an extra end of play.

The J.P. Team took the runner-up hardware and returned to their studies while the Archbishop MacDonald crew continued on their winning ways and managed to bring the Canadian Schoolboys' championship back to Edmonton.

JUNIOR GIRLS BASKETBALL

Front Row (L. to R.) — Maria Goerzen, Lori Overman, Shauna Morgan, Vicki Holmes.

Back Row (L. to R.) — Doris Chadwick (assistant coach), Valerie Leach (coach), Betty Brimacombe, Toni Frisby, Wendy Wilkins, Debbie Morrill, Denise Perret.

The 1971-72 Junior Girls' Basketball Team was one of spirit and life. Coached by Miss Val Leach, assistant coach Doris Chadwick and manager Barb Olsen the team was in good hands. Our team went through the season undefeated but lost by one point to M. E. Lazerte in the city finals. Although losing the Finals was a disappointment we had a great season and we're all looking forward to next year.

LEAGUE CHAMPIONS

SENIOR GIRLS BASKETBALL

Back Row (L. to R.) — Miss H. Schweitzer (coach), Carol Jeske, Jeannie Johnman, Marcia Chatten, Sandra Prunkl, Debra Dolsky, Marilyn Bossert (manager), Roberta Carbert (manager).

Front Row (L. to R.) — Chris Cummins, Lorilee Grasdal, Susan Roberts, Deena Mitchell, Susan Russell, Glenda Leach.

The Senior Girls' Basketball Team had a great season. The team lost only one game in regular season play and easily captured the city championship, making a first in J.P. history.

The team went on to Provincials in Medicine Hat, but were defeated by the eventual Provincial Champs — Lethbridge.

Congratulations Miss Schweitzer on a well-coached team.

CITY CHAMPIONS

JUNIOR BOYS BASKETBALL

Back Row (L. to R.) — Brian Tingley (coach), Ken Allen, Dwight Berkner, Walter Murphy, Jim Rhodes, Bob Balfour, Bob Keihlbauch, Dave Watson (manager), I. Inglis (coach).

Front Row (L. to R.) — Ian Forgie, Mark Melnyk, Dan Stollery, Rick Pasowicz, Del Rube, Neil Thourogood, Keith Kachuk.

When practice started December 1, prospects looked particularly good especially when 30 candidates turned up for the team. Cuts were very hard for coaches Inglis and Tingley to make but the team was finally narrowed down. The team came out fighting, winning its first 7 games, including 3 exhibition matches, but then encountered some trouble and finished out first half of the schedule in 4th place. In the second half of the schedule J.P. had more trouble mainly because of inconsistent play and ended up in 5th place. Unfortunately the Rebs were knocked out in the first round of the playoffs, losing a heartbreaker to St. F.X. in overtime. The team this year was a learning experience for everyone involved and will send several good players up to the Seniors next year as well as retain the basis of what could be a good Junior Team.

SENIOR BOYS BASKETBALL

Back Row (L. to R.) — Richard Howes, Rod Fallow, Dave Stevenson, Geoff Frisby, Garth MacBeth, Harvey Dalzell, Mr. J. Bright (coach).
Front Row (L. to R.) — John Marcinkevics, Grant Burton, Keith Bowes (captain), Pete Iltis (captain).

Basketball is a game that changes rapidly from the opening tip off to the final buzzer. The 1971 - 72 edition of the J.P. Rebels changed drastically from the close of the 1970 - 71 season to the opening of the 1971-72 season. The Major change resulting from the loss of board strength and consistent outside shooting. Consequently, the Provincial Championship went South again.

However, the Rebels were able to score and basically were contenders in all games played. But due to the lack of overall physical strength and size, the Rebels were unable to win games where size had to be counteracted. This was really evident in the play off loss to St. Joe's where Rick Gawlick controlled both the offensive and defensive boards.

Being picked for last place was certainly a fallacy. The Rebels won 4 out of their 1st 7 games and entered the "A" division. After winning their 1st two games the Rebels lost 5 consecutive games but were competitive in all games. Next season can be a very interesting one and the Rebels should be serious contenders.

Thanks is extended to the students for their excellent support.

The 71-72 season turned out to be another victory for the swim team.

The team was sponsored by Mr. Speakman and Mr. Schultz. Team captains Jim Gilchrist and Connie Thomas were elected to assist with coaching and training.

The 32 girls and 20 boys on the team won six of the seven preliminary meets. The final meet, held in March, gave the team the three city championships:

Dr. M. E. McKay Cup — Girls' City Champs

T. D. Baker Trophy — Boys City Champs

James Crockett Trophy — Aggregate City Champs

It was the fourth year in a row that J.P. has held the boys' championship, and the third consecutive year for both the girls' and the aggregate trophies.

All of the team enjoyed training and competing together throughout the season, and next year's swim team promises to be another winner.

CITY CHAMPIONS

BADMINTON TEAM

The badminton team was off to a difficult start but, soon we were chalking up many victories. This season we acquired many good players who, in a year or two may just lead J.P. to a first place finish. The team in total standing placed fourth.

The team consisted of eleven players they are: Doris Chadwick, Sue Jamieson, Dianne Lazaruk, Leta Polluck, Pat Price, and Janice Strautman, Klaus Gloge, Tom Gooding, Doug Marner, Ian Scott and John Westgate.

Many thanks go out to Mr. Sande, our coach and sponsor who helped us throughout the season.

I would like to wish the next J.P. Badminton Team the best of luck in the years to come.

JUNIOR BOYS SOCCER

Back Row (L. to R.) — Mr. Klein (sponsor-coach), Gord Tober, Mark Melnyk (captain), Neil Thorogood (captain), Jim Pryma, Mark Robinson, Curt Duhamel, Harvey Dalzell (coach-manager).

Missing — Malcolm Betts, Len Van Wieren.

Although we did not win any games this year the team had a good time playing the game. A group of good and interested students played the whole season and the spirit was good.

We had a good time and next year we hope more of the students who are good soccer players will come out and enjoy the game also.

SENIOR BOYS SOCCER

Front Row (L. to R.) — Dennis Drongal, Kari Hardy, Pat Gilday, Ed Anderson, Bob Cromwell.

Back Row (L. to R.) — Dave Stevenson, Harvey Dalzell, Geof Frisby, Glenda Leach (manager), Dave Watson, Alan Costar, Rob Hornland, Walter Adolph, Mr. Gerritsen (coach).

Although the interest in soccer at Jasper Place Composite High School must be considered minimal, the team members again displayed a healthy enthusiasm. Unfortunately, the win and loss record was not very impressive, nevertheless, the players and faithful fans had an enjoyable season. Only when participation in this wonderful game becomes more wide spread will J.P. succeed in fielding a more competitive team or teams.

JR.; SR. GIRLS TRACK TEAM

Front Row (L. to R.) — Glenda Leach, Leigh Hushagen, Lauri McColl, Alison Tewnion, Kathy Gerun, Sheila Zieper, Nora Crew.

Back Row (L. to R.) — Colleen Edgar, Roberta Carbert, Cheryl Rombough, Deena Mitchell, Betty Brimacombe, Dora Strödin, Denise Perret, Marion Blakeman, Susan Smith, Karen Carbert (manager), Susan Jamieson (manager).

The 1972 track team was relatively small in number compared to the past few years. The team, however, easily won the Divisional Meet. There were many quality athletes on the team, but the senior girls and senior boys were largely responsible for winning the pennant.

Congratulations to all competitors.
